Georgette also reported on the Leadership Conference, held in Richmond, Virginia in September. At the meeting, Region VI finalized its draft of a strategic plan, which dovetails with the recently developed National strategic plan. She announced that RAC was reviewing the draft plan and upon completion of that review, it would be circulated to region members for comment.

She asked the members if there was any other old business. None was proposed.

XII. New Business

Georgette announced that the 2009 Regional Conference would be held in Santa Fe, New Mexico at the La Fonda on the Plaza hotel. Rates would be $145.00 per night. The 2010 meeting will be in Hawaii.

Georgette announced there would be four $500 travel awards to the 2008 Regional Conference and three $750 travel awards to the 2008 national conference.

Finally, Georgette announced that the officers were working on an amendment to the by-laws that would allow the status of a committee (standing v. ad hoc) to be an administrative issue that can be made without requiring a vote of the membership. This amendment is in response to the complexity of moving the New Member Committee from an ad hoc to a standing committee.

Georgette asked the membership if there was any other new business. None was proposed. The meeting was adjourned.
