Leadership Development Committee) is announcing new leadership in April.

VII. Regional Meeting

VIII. Old Business
   a. Future Regional Meetings – Sam Westcott
      i. 5-Year Block Plan – Sam explained the 5-Year Block. During every 5-year block, two regional
         meetings will be held in Region VI locations, two regional meetings will be held in Region VII
         locations, and one regional meeting will be held in Hawaii every four years, and no two meetings will be back-to-back in the same region. No bylaws change needed.
      ii. Time of Year – Survey results were distributed to the members. Sam discussed the survey on the
          potential moving and timing of the regional meeting that was given to the membership before the
          Spring Regional Meeting in AZ. Reasons for the potential change in time is in a response to the
          National meeting date change to August, as well as FRA/PRA that are offered in the Spring. Also, for
          the potential to be flexible with the meeting date to better accommodate various locations in the
          region and to take advantage of better conference prices (keeping costs low for members). There
          were 175 respondents overwhelmingly choosing the Fall (November & October), third choice was in
          January & February as a potential meeting time. In order to change the timing of the Regional
          Meeting to any time not in the first six months of the year will require a bylaws change. Since
          Region VI & VII co-host the regional meeting, Region VII will also be looking into potentially changing
          the timing as well with their membership. It was announced that the RAC will propose a bylaws
          change to the membership to remove the time restriction and allow more flexibility with when the
          Regional meeting occurs.

IX. New Business - No new business.
X. Announcements - No further announcements.
XI. Adjournment
Sam asked if there is anymore business. Georgette Sakumoto moved motion to adjourn the meeting. Jay
Graham (Stanford) seconded. Meeting was adjourned at 12:23pm.
